

HALLOWEEN
2025

Get ready for an unforgettable Halloween at Club Pollentia!

This October 31st, the shadows come alive at our resort, transforming into the perfect setting for a celebration filled with mystery and fun.

We've conjured up a chilling program for all ages:

During the Day, Magic Emerges: For the little ones, our Mini Club becomes a secret lab with Monster Mask Making and a Witches and Wizards Lab for creating magic potions. In the afternoon, it's time for Pumpkin Decorating and a spooky Halloween Movie!

Adults can channel their energy with a relaxing Yoga for Lost Souls class, while the more daring can compete in Killer Darts and Archery: Annihilate the Zombie.

And to cool off the afternoon, how about a Cocktail game: Eye Catching?

A Feast from Beyond: When hunger from beyond the grave strikes, our buffet restaurant will be transformed to offer a special Halloween menu. Prepare to delight in mysterious dishes and enchanted desserts, designed to surprise and satisfy even the most discerning (and fright-hungry) palates. A gastronomic experience that will make you tremble with pleasure!

When Night Falls, the Terror Begins: The real adventure begins at dusk with our dreaded Tunnel of Terror, only for the brave. Then, we'll transform faces into macabre works of art with Face Painting.

The monsters will be unleashed at the Monster Disco before the Best Costume Contest crowns the night's king or queen. And to top it off, get ready for shows that will leave you breathless: a mysterious Outside Show and our vibrant Dance Show.

Club Pollentia Portblue Resort & Spa: The countdown to the most magical and terrifying night has begun! Do you dare to join the fun?
